

# Domestic Shipping:

We offer Shipping anywhere in India.

Please allow 1-3 working days for your order to be dispatched. Normally, for orders placed before 2 pm on a business day, we aim to ship the same day, provided card security checks are complete, payment received and stock availability is confirmed. Orders placed after 2 pm will be shipped the next business day. Orders received on Sunday or during holidays are dispatched the following Monday or next working day. During busy periods, such as holiday periods, there can be processing and shipping delays.

Our preferred Courier partner is GATI, DELHIVERY,DTDC. However, in certain cases, products might not be available with us, which cause a delay in dispatch. In such cases, we either seek permission from you to delay shipments or partially ship the order, based on your confirmation. Refunds if any to your account are processed within 7 working days.

Domestic customers are responsible for any duty charged by their respective State Government. We are unable to predict which shipments will be assessed for these charges or levies, or the amount of the charges that may be levied. In cases of refusal, either the cost of the goods and/or return service costs will be assessed.
